

“I was fascinated to learn that in the mid 1800’s Ceylon was the largest coffee exporter in the world, catering to Europe’s demand of over five million cups a day! My goal is to recreate to the modern day world the same alluring and unique taste of Ceylon coffee which captivated the whole of Europe.”

Founder

George Martin Kodithuwakku

CEYLON HOUSE OF COFFEE Subsidiary of London House of coffee Sri Lanka

Established in Sri Lanka & in United Kingdom
